

CA I Help Document

I am so excited to roll out the brand new version of [Culinary Arts I](#) with all of you. I hope you all had a great summer and are pumped and ready for an awesome year I wanted to send some quick details about this course. If you have any questions about where to go, what to submit, etc. you should be able to find the answer on one of those documents.

YEAR LONG COURSE (36 weeks):

This is a YEAR LONG COURSE! As you will see--everything is combined and not separated into semesters.

SEMESTER ONE: Modules one through six are semester one.

SEMESTER TWO: Modules seven through twelve are semester two.

This is different than you are used to. If you finish all six modules prior to winter break feel free to move on if you wish.

REVIEW/CRITICAL THINKING QUESTIONS:

Each module has these. Please be sure to answer these in complete sentences to receive full credit.

DBA:

There is ONLY ONE DBA per semester. We will be doing what is called DBA On-Demand – you can choose to complete a DBA for ANY Module. YOU HAVE UNTIL OCTOBER 31st to complete!

COOKING ASSIGNMENTS:

On the weeks that we have cooking labs (also called Portfolio Assignments), we will not have regular assignments. You will have all week to complete this assignment. Make sure you take pictures or make a short video of yourself in the different stages of preparing your dish or performing the task and submit under the assessments tab as usual.

COOKING E-PORTFOLIOS:

Using an [Adobe Spark page](#), [Weebly](#), [a Wix Portfolio Template](#), or website generator of your choice, you will create a collection of your work from Culinary Arts 1. You may also simply create a presentation via PowerPoint, [Prezi](#) or OpenOffice Impress (FREE). This will be used to document your skills in the kitchen and how much you've improved throughout the course. You may also use this portfolio in the future for many reasons, such as job interviews, college applications, and scholarship applications.

QUIZZES/EXAMS: You can access your module quizzes and final exam via the culinary arts 2 website(<https://www.culinaryarts1flvsft.com>). Please ensure you have completed all of the written work prior to taking your module quiz and all assignments prior to taking your final exam. The quizzes and final exam **CANNOT BE RESET FOR ANY REASON**. You have one opportunity to complete these so please be sure you are ready.

****This is going to be a great year and I really think you will LOVE this course! I'm here if you need me.**
